Presidents of Sri Lanka Associations / Organizations,

Dear Sir / Madam,

Website of Adopt a Village Market

We are pleased to inform that the Policy Development Office (PDO) of the Prime Minister's Office is hosting a website about rural fairs. This website can be accessed via <http://villagefair.pmooffice.gov.lk/> and provides a mechanism to link those who want to help develop Sri Lanka directly with village markets in need of essential infrastructure, especially in real communities around the Island.

This initiative is about making it easy for donors to fund micro-projects in Sri Lanka, projects that will make a big impact in the lives of many. Village markets that receive funds are obligated to follow up on the progress of each micro-project. Photographs of the completed micro-project will be uploaded on the website to maximize transparency.

Do feel free to write your feedbacks and innovative concepts on weeklyvillagefair@gmail.com.

Please be kind enough to distribute this information among the members of your organization / association.

Best Regards,

A.D.L.G. Kalansuriya
Minister
for High Commissioner
